Manual de Activación - Soporte TELEMATICA

ArcGIS Developer

ArcGIS Developer ofrece un conjunto completo de herramientas para desarrolladores y servicios de ubicación para crear soluciones de mapas y análisis que respalden sus necesidades. Utilice las API de ArcGIS para crear aplicaciones nativas y web sólidas basadas en la ubicación para dispositivos web, de escritorio y móviles.

El contrato de Licencia de Esri Inc. está disponible en www.esri.com/legal y es aplicable a los artículos adquiridos, los que a continuación se instalarán, a menos que usted haya firmado un Contrato de Licencia previo.

Está prohibido distribuir o compartir el contenido bajo ningún medio oral o escrito (físico o digital). Se prohíbe la reproducción o distribución total o parcial (físico o digital) sin autorización expresa y por escrito por parte de Telemática, bajo sanción de ley. La información contenida en este documento ha sido creada a partir de los recursos de aprendizaje otorgados por la empresa Esri Inc., proporcionados expresamente para este fin.

Activación de ArcGIS Developer

 Inicie sesión en el portal My Esri (https://www.esri.com/es-es/my-esri-login) con la cuenta que desea conectar a su suscripción de desarrollador. En la pestaña "Conectarse", encontrará un área titulada "Para suscriptores a Developer". Ingrese su código de desarrollador de 12 dígitos aquí y haga clic en "Suscribir".

8. Aquí deberá crear otra cuenta que se utilizará para acceder a la organización de desarrollo y pruebas. Se requieren dos cuentas independientes ya que los nombres de usuario de ArcGIS Online son únicos. Es por eso que pasamos por el proceso de crear dos cuentas/nombres de usuario separados, ya que uno estará vinculado a cada organización.

Create the admin account for your ArcGIS Online Dev and Test Organization.	After setting up your ArcGIS On	line Dev and Test Organization you can:
First name		
1		R
Last name	Add 4 additional users	Assign custom roles and privileges
Email		0
	Create and manage groups	Set up content and items for testing
Username
